

## CAUTION - ASBESTOS HAZARD

All persons performing work in the Atlantic Pilotage Authority offices please note:

- The space above the ceiling in these offices contains asbestos.
- Any movement or removal of ceiling tiles or ceiling mounted fixtures may disturb that asbestos.
- If asbestos is disturbed and inhaled, it may cause long-term health concerns, including lung disease and cancer.

- **DO NOT, under any circumstances, disturb ceiling tiles or fixtures.**
- **Immediately report all unauthorized disturbances to your contact person at the Pilotage Authority, or to the reception desk.**
